***PTSA Association Meeting
in the Media Center
September 14th at 6 PM -
Parents and Students Welcome!***

You're invited to attend Standley PTSA's first General Association Meeting of the school year in the Media Center at 6:00 p.m. on Wednesday, September 14th.

Join us and hear about the great events we have planned for this year. Agenda items include voting on the budget, audit, bylaws, programs, and fundraisers for the year and hearing important updates from Principal Bill Pearson. We'll have a special guest, too! New Vice Principal, Jon Robell, will stop by to say hello.

***Special Presentation
following the meeting***

Immediately following the meeting, Mellisa Essenburg,

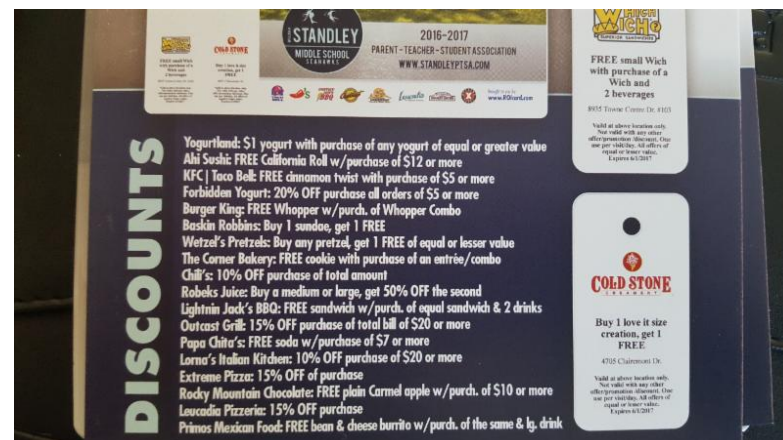

Speech-Language Pathologist at Standley, will present ***Executive Functioning Skills: Organization Tips for a Successful School Year***. Learn how to improve your middle schooler's organizational and time management skills for homework, long term assignments, and even chores around the home! Walk away with practical tools that you can start using today with your child to start the school year off successfully. The presentation is brought to you by the PTSA and Standley Middle School and will last 50-60 minutes. Hope to see you there!
