

Seahawks East Coast Expedition

June 15 - 22, 2019

This once-in-a-lifetime educational and character-building experience is open to all current Standley Middle School* 8th grade students. We will reinforce lessons in U.S. History and the events that have defined our country as we visit important historic and cultural sites in **Boston, New York, Gettysburg** and **Washington, DC**. Tour highlights include visits to our nation's most impressive **monuments and memorials**, the **Smithsonian** museums, a walking tour of the streets of New York, a spectacular **Broadway Show** and a thrilling rafting trip down the **Shenandoah River** into Harper's Ferry!

Parents, please watch for announcements regarding our informational meeting to be held in late September or early October. We will discuss the itinerary, cost, registration, eligibility requirements, deadlines and fundraising. You can also get on our list to be notified of the meeting by emailing your request to expeditions@mac.com. Please put **Seahawks Expedition** in the *Subject* line.

** This is an optional, extra-curricular, Non-School-Sponsored trip as defined by the San Diego Unified School District. Standley Middle and the SDUSD assume no responsibility or liability. Teacher supervisors are off duty and are not functioning as SDUSD employees. Funding is by private/individual payment.*

This tour is operated by **World Expeditions of San Diego** a respected leader in educational student travel since 1997.
