

Help Beautify 8th Grade Promotion!

Buy a Plant ~ Keep a Plant!

We are already looking forward to the Standley 8th Grade Promotion Ceremony on *Tuesday, June 11th at 9:00AM*. This is a very special day for all students and families involved. Our goal is to create a festive and beautiful atmosphere on and around the staging area using flowering potted plants. The promotion committee needs your help to ensure that the ceremony is a wonderful success!

Please consider buying a potted plant (or several!) in honor of your student who is promoting, as a memento of your child's special day. These colorful plants will be used for the ceremony. Plants are subject to change based on availability, but all plants will be flowering types, i.e. hydrangeas, delphiniums, dahlias, etc.

After the ceremony, you get to keep the plant(s) that you purchased! Plants will be set out at a pick-up table near the stage. Please go to the table to choose a plant to take home with you. We will check off names to ensure that plants get into the hands of the people who bought them.

Each pot costs \$10.00. Please turn in the form below, along with payment, to the financial office by **Monday, June 3rd^h**. **Cash or checks (payable to Standley Middle School) are accepted.**

The deadline for turning in orders and payment is **Monday, June 3rd.**

Thank you for your support!
